### Harp Orchestra Organized by Philadelphian.

Philadelphia has the distinction  
of supporting a harp orchestra. A  
musical organization of this charac-  
ter is doubtless very unusual as a  
permanent institution, although a  
band of harps only may have been  
heard occasionally both here and  
abroad. The orchestra consisting  
of 14 harpists, is composed entirely  
of women and girl players who  
have been banded together through  
the endeavors of local musical club.  
Its concerts are strikingly new to  
Philadelphia and have attracted  
considerable interest. A picture of  
the orchestra appears in the Decem-  
ber Popular Mechanics Magazine.
